

Issue 22 October 17th

Version 3 Rev 3

changes since last issue

Our ref. Yr / no.	2014/15	Issue	Source	Action	Follow-up	Status
13/001	18/Feb	Requested for bridge signage between Netherfield/Passmore: (On Netherfield side). Name should read Passmore not Tinkers Bridge	resident	(Previous) Clerk applied under new capital expenditure program	Not accepted. Apply again in September 2013. Awaiting reply still 16/09/13. To be pursued Mar '14. T Higgins passed to Planning.	Re-submitted 5 Sep 2014 ENV ref 400720. No report by end Oct. Chased Nov. Env Portal: 'In progress' (Jan 2015). Applied to the Bridge Team (Sue Chaundy) in Feb. who suggested the Cycling Network (Redway) team but commented also that Passmore was not a classified grid square name and this might be why nothing has happened. Awaiting Cycling response. Post meeting Mar 2015: Cycling said not in their remit. Asked Sue Chaundy to remove old Tinkers Bridge name in the meantime. July 7th 2015: 'in progress'
14/013	01/May	Resurfacing Newport Rd	Clr McDonald	Scheduled for late Autumn. Clerk to write to ask for acceleration of works. Martin?? Long	Email sent. Reply received almost by return - essentially 'arrangements complicated, would see what they could do'.	Not yet done (Sep). Acceleration of works not happened by end Oct. Resurfacing completed from Church to Baskerfield - the remainder awaiting drainage works (Jan 2015). Part done.
14/014	08/May	Surface water carrier drain on East side of Newport Rd blocked near Goodman Gdns.	Clr McDonald	Raised by Cllr with Ringway	action has been agreed. Daniel Mullins	Awaiting action November. Delayed until 2015. Postponed to drier weather. Awaiting dates. <a href="#">Week beginning 21st Sep work begins to install the new drainage from Goodman Gardens to Fairview</a>
14/016	19/May	Woughton Park drainage issue	Clr McDonald	Raised by Cllr with Ringway	action has been agreed. Daniel Mullins	Awaiting action 2015. Postponed to drier weather. Awaiting dates. <a href="#">Richard Freeman communicated his discussion with Danny Mullins from earlier in the year - '...to excavate in front of the headwall and see if the pipe at the headwall is coming into the ditch or going out from the ditch.'</a> Then chased up. 17 Oct: The drainage gang have been at Newport Road Woughton Park today, investigating the ditch by Walton Lake car park. The pipe in the original headwall opposite the Parish notice board (with the metal fence on top) has been blocked with concrete so is redundant, there is a pipe under an old entrance into the paddock, they couldn't find a pipe at the north (outfall) end of the ditch. Manhole TS04 (9951 on the modern map) is not visible in the field and has probably been buried. Landscaping have an outstanding order to cut back and clear and trees between the road and hedge. There is an outstanding job on the list of work for a drain jetting contractor to jet and map the highway drains from Standing way to Foxton. In the short term the drainage gang have cleaned out the grip behind the kerb weirs and back to the ditch.

15/025	09-Mar	Passmore road sign vanished at entrance off Marlborough St.	Cllr Howson	env portal report	Given ref. 537481, 12 March.	No change. July7th 'in progress'
15/030	23-Apr	damaged verge Baskerfield Grove	resident - P Wareham	reported to MKC	Alloted ref: 572993	Re-reported 5 May. <a href="#">The matter was marked 'closed' even though nothing had been done and no explanation given. Re-reported - see below 15/048</a>
15/033	11-May	Passmore - private driveway used to access adjacent redway.	Cllr. Howson	Reported to Parks trust said they would look into it.	To monitor	
15/034	26-May	Request for missing name plate replacement (WotG) erroneously received from MKC (Susan Williams). Old Newport Rd slip road exit from Standing Way (H8)	MKC Susan Williams	emailed around councillors - definitely an error	Reported to Portal in any case.	ref given 613351 'in progress'. <i>Post July meeting</i> - Cllr McDonald reported the missing sign was included in MKC replacement schedule and placed on order. Email from Mike Pearson (see below also) 24/7 says he had put in a request a year ago but it had been closed. S. Williams replied adding that there had been '2 requests, Enquiry Refs: 556817 & 605850, for the missing direction sign to be replaced' and it was this that was on order. She goes on to say that she fears the verges are not wide enough for a nameplate sign but she will pursue it if we want her to.
15/039	19-Jul	At the corner of the Redway near to the Bus Stop shelter. The Redway is 50% obstructed by bushes and overhanging branches.	resident - Mike Pearson	resident reported problem and forwarded to clerk	ref 638192	
15/040	19-Jul	The east side of Newport Road directly opposite the footpath emerging from Goodman Gardens. The paving at the location of the new drop kerb should also have tactile stippling to enable the registered blind resident of Goodman Gardens to locate their crossing point of the road.	resident - Mike Pearson	resident reported problem and forwarded to clerk	ref 638152	
15/041	27-Jul	The parking area immediately in front of Bowles Place. The parking area is too narrow for the parking of vehicles perpendicular to the narrow footpath, resulting in the overhang of resident and visitor vehicles onto the footpath which restricts access for parents with pushchairs and blind residents who have to walk in the road.	resident - Mike Pearson	resident reported problem and forwarded to clerk	ref 656457	

15/042	17-Aug	The western edge of the footpath directly opposite No. 1 Newport Road has a sunken concrete edging and the footpath wearing coarse has a deep pot hole at this location, creating a hazard to pedestrians.	resident - Mike Pearson	resident reported problem and forwarded to clerk	ref 704255	
15/045	04-Sep	Bowles Place - The hedge alongside the footpath is overgrown and obstructing the passage of pedestrians especially when cars are parked tight up to the kerb at night and at weekends	resident - Mike Pearson	resident reported problem and forwarded to clerk	ref 720911	
15/046	07-Sep	The footpath alongside 15 Castle Rose is thick with tree litter and reduced width due to overgrowth shrubbery. It's making it difficult for me on a mobility scooter. Can it be cleared please.	resident John Moss reported to Clerk	Clerk reported to Environment same day.	Path cleared next day - overgrown shrubs outstanding.	<a href="#">reference given - 724765</a>
15/047	25-Sep	Bumps in the footpath on the south side of Castle Rose were such that I am in danger of being thrown out of my mobility scooter. The bumps are caused by the roots of the huge trees that line the road. Today I notice that the path damage outside number 15 Castle Rose has white paint outlining it which suggests that maybe the path is about to be repaired That's good but 20 feet away outside number 11, the bumps are even more significant and are not marked for attention they are a real hazard for my mobility scooter.	resident John Moss reported to Clerk	Clerk reported to Environment same day.	reference given - 739519 same day	"No further action required" notice issued 30 September
15/048	30-Sep	damaged verge outside nos 21, 23, 25 Baskerfield Grove	resident - P Wareham	clerk reported to MKC	Alloted ref: 743690	"Well below intervention level" - closed by MKC 23 October

15/049	09-Oct	Redway that runs along side 15 Castle Rose. The single light there was out, plus the bushes that are planted along one side of this narrow path are really overgrown, and partially obstruct the path	15 resident Mrs Pugh copied to clerk in	Mrs resident reported direct to portal	12 Oct. Ref 751271 refers to the light, advising this should be attended to within 10 days. Ref 751283 for bushes but MKC insists that they are WCC responsibility (!). Resident has spoken to their Landscape Manager who is 'looking into it'.	15 Oct. Streetlight resolved. 15 Oct REF 755429 given by MKC for the bushes which they now acknowledge as part of their scope. Escalated 31 October following further email from Mrs Pugh.
15/050	12-Oct	In the past 6 months there have been a lot of motorbikes and quad bikes using the Redway from Tinkers Bridge to Walton Hal. The motorbikes then tear around the parkland surrounding Walton Hall and eventually head back towards Tinkers Bridge direction.	Michael Feltham reported to Ward Cllr. on 28 Sep. Copied to us 12 Oct	Possible TVP email address forwarded to Ward Cllr.	Ref 751283	
15/051	02-Nov	Enquiry Ref 656457 requesting the marking out of the parking area outside Bowles Place to allow for parallel or echelon parking	Mike Pearson reported this through Portal	Passed on to PC for consideration of funding by Ward Cllr. Mc Donald	To raise at November meeting
