4. Individual Written Request to: The Parish Clerk, Karen Hill, c/o Adams Lodge, 8 Baskerfield Grove, Woughton on the Green, Milton Keynes, MK6 3EN,

Your request must include your name, address for correspondence, and a detailed description of the information you require.

Parish Council's Response to a Written Request

The Parish Council will respond within **twenty (20) working days** of receipt of your written request to:

- confirm to you whether or not it holds the information
- advise you if a fee will be charged
- provide you with the information (after any relevant fee has been paid) unless an exemption applies (under the 23 exemptions in the Freedom of Information Act)

Fees

The Act only allows the Parish Council to charge for answering Freedom of Information requests when there will be a disbursement costs (ie: printing, photocopying, postage) at the actual rate charged to the Parish Council.

For disbursements costs, it is proposed that the Parish Council will charge a minimum of £5 per document for photocopying and printing a document or the actual charge whichever is the higher and recover the actual cost of postage or any other transmission costs from the applicant.

There is no charge for information sent electronically unless staff cost to retrieve such data is excessive (see below).

If estimated staff costs involved in locating and or compiling the information exceed £450 then under these circumstances, the Parish Council can refuse the request on the grounds of cost.

For a series of requests from the same applicant within a 12 month period, where costs are estimated to exceed £450 (based on an hourly charge-out rate of £20), the Parish Council can decide to:

- refuse the request
- comply with the request and charge for allowable costs as prescribed in the regulations.

A fee notice will be sent to the applicant requesting the appropriate fee.
The request will not be answered until the fee has been received.
