

Notice board v3

This notice board is primarily for the display of Old Woughton Parish Council notices. There is no public access to this notice board. A resident of the Parish may request that a notice be placed on the board. This will be done at the discretion of the local Parish Councillor, subject to space being available.

Notices would normally be expected to adhere to the following guidelines:

- relate specifically to the Parish or to contiguous Parish areas and/or their residents,
- not be of an overtly political, religious or commercial nature,
- be no bigger than A4 (210 mm x 293 mm),
- be clearly marked with the date of posting. Notices will be removed 30 days after posting unless previously agreed with a Councillor.
