13/001	18/Feb	Requested for bridge signage between Netherfield/Passmore (On Netherfield side). Name should read Passmore not Tinkers Bridge	resident	(Previous) Clerk applied under new capital expenditure program	Not accepted. Apply again in September 2013. Awaiting reply still 16/09/13. To be pursued Mar '14. T Higgins passed to Planning.	Re-submitted 5 Sep 2014 ENV ref 400720. No report by end Oct. Chased Nov. Env Portal: 'In progress' (Jan 2015). Applied to the Bridge Team (Sue Chaundy) in Feb. who suggested the Cycling Network (Redway) team but commented also that Passmore was not a classified grid square name and this might be why nothing has happened. Awaiting Cycling response. Post meeting Mar 2015: Cycling said not in their remit. Asked Sue Chaundy to remove old Tinkers Bridge name in the meantime. July 7th 2015: 'in progress'
14/013	01/May	Resurfacing Newport Rd	Cllr McDonald	Scheduled for late Autumn. Clerk to write to ask for acceleration of works. Martin?? Long	Email sent. Reply received almost by return – essentially 'arrangements complicated, would see what they could do'.	Not yet done (Sep). Acceleration of works not happened by end Oct. Resurfacing completed from Church to Baskerfield - the remainder awaiting drainage works (Jan 2015). Part done.

15/033	11-May	Passmore - private driveway used to access adjacent redway.	Cllr. Howson	Reported to Parks trust said they would look into it.	To monitor	
15/034	26-May	Request for missing name plate replacement (WotG) erroneously received from MKC (Susan Williams). Old Newport Rd slip road exit from Standing Way (H8)	MKC Susan Williams	emailed around councillors - definitely an error	Reported to Portal in any case.	ref given 613351 'in progress'. <i>Post July meeting</i> - Cllr McDonald reported the missing sign was included in MKC replacement schedule and placed on order. Email from Mike Pearson (see below also) 24/7 says he had put in a request a year ago but it had been closed. S. Williams replied adding that there had been '2 requests, Enquiry Refs 556817 & 605850, for the missing direction sign to be replaced' and it was this that was on order. She goes on to say that she fears the verges are not wide enough for a nameplate sign but she will pursue it if we want her to.
15/037	15-Jul	Several of the dog bins, i.e the Passmore one, the litter bin by the iron bridge between Passmore and Woughton Park, the one over Newport Road in the car park and possibly others, have not been emptied for a week or two. Also the Passmore one has been ripped off its post	Cllr. Howson	reported to AH Contracts 16 July	AH Contracts replied 22/7 to say that all had now been emptied and he had fixed the Passmore bin to the pole again. He apologised saying he himself had been away and an assitant had been doing the round. He offered to send a level report which the clerk welcomed.	
15/038	19-Jul	The reinstatement of the highway surface water drainage pipeline at the crossing point of the footpath has sunken excessively causing a hazard to pedestrians.	resident - Mike Pearson	resident reported problem and forwarded to clerk	ref no 638170	Completed 4th August

15/039	19-Jul	At the corner of the Redway near to the Bus Stop shelter. The Redway is 50% obstructed by bushes and overhanging branches.	resident - Mike Pearson	resident reported problem and forwarded to clerk	ref 638192	
15/040	19-Jul	The east side of Newport Road directly opposite the footpath emerging from Goodman Gardens. The paving at the location of the new drop kerb should also have tactile stippling to enable the registered blind resident of Goodman Gardens to locate their crossing point of the road.	resident - Mike Pearson	resident reported problem and forwarded to clerk	ref 638152	
15/041	27-Jul	The parking area immediately in front of Bowles Place. The parking area is too narrow for the parking of vehicles perpendicular to the narrow footpath, resulting in the overhang of resident and visitor vehicles onto the footpath which restricts access for parents with children and blind	resident - Mike Pearson	resident reported problem and forwarded to clerk	ref 656457	
15/042	17-Aug	The western edge of the footpath directly opposite No. 1 Newport Road has a sunken concrete edging and the footpath wearing coarse has a deep pot hole at this location, creating a hazard to pedestrians	resident - Mike Pearson	resident reported problem and forwarded to clerk	ref 704255	

15/043	17-Aug	Newport Road. The length of footpath where it abuts the carriageway has become partly obstructed by mud running off from the hedgerow on the opposite side of the path, making it impossible to walk side by side without having to walk in the road, especially when guiding a blind person to the Hotel/Church.	resident - Mike Pearson	resident reported problem and forwarded to clerk	ref 704287	Reported complete 26 Aug.
15/044	24-Aug	Graffiti on underpasses and the pillars under the bridges over the Ouzel. Litter on the footpath that goes through Woughton playing fields from Woughton church just before it enters Ouzel Valley Park.	resident, Chris Wormald, reported to Ward Cllr. - Forwarded to Clerk	Both matters reported on website by resident but no action taken and requests cancelled	Clerk forwarded to H Baker at MKC. A map was returned to mark up(Sep7th)	
15/045	04-Sep	Bowles Place - The hedge alongside the footpath is overgrown and obstructing the passage of pedestrians especially when cars are parked tight up to the kerb at night and at weekends	resident - Mike Pearson	resident reported problem and forwarded to clerk	ref 720911	
15/046	07-Sep	The footpath alongside 15 Castle Rose is thick with tree litter and reduced width due to overgrowth shrubbery. It's making it difficult for me on a mobility scooter. Can it be cleared please	resident John Moss reported to Clerk	Clerk reported to Environment same day.	Path cleared next day - overgrown shrubs outstanding.
